

CAPITAL INNOVATION

THE GREATEST GATHERING OF INVESTORS AND INNOVATION IN QUEBEC

Capital Innovation, the largest gathering of investors and innovative entrepreneurs in Quebec, is back in 2011 with a highly enhanced fourth edition. *Capital innovation, this is :*

- **The largest annual gathering of angel investors and venture capital funds with the most promising entrepreneurs in Quebec**
- **Investors Boards with over 30 investors, including international**
- **Entrepreneurs selected by investors for their leadership and the quality of their project**
- **First presentations to investors and feed-back in May and June 2011**
- **Six events between February and October 2011 with more than 1,000 entrepreneurs and investors**
- **An accelerated training and support program to maximize the investment process**
- **A unique press coverage and a network to reach 10 000 people from the startup community**

Finalist Entrepreneurs will get the opportunity to present to larger groups of investors in the final events in September 2011. Eight of them will present at the national event on October 6th.

Board of investors

Present your project

As in the first 3 editions, Quebec main venture capital funds and many of the most dynamic angel investors joined Capital innovation Board of investors in 2011.

Over \$ 7 M of investments were made from the first three editions. With an expanded formula open to many more entrepreneurs and investors from Quebec and international, the 2011 edition promises to be particularly fruitful.

Join the 2011 leaders : Complete the application form and present your team and project.
